Honorable William H. Webster
Director of Central Intelligence
Washington, D.C. 20505

Dear Judge Webster:

Enclosed is a transcript of the hearing before the Subcommittee on Program and Budget Authorization of the Permanent Select Committee on Intelligence of March 16, 1988. Pursuant to Rule 4 of the Rules of the Committee, it is requested that appropriate corrections be made and the completed transcript returned within five days following receipt. This same rule provides that "Corrections shall be limited to grammar and minor editing, and may not be made to change the substance of the testimony."

Also enclosed are questions for the record. In addition to these questions, the Committee requests a listing by country of the amounts in the FY 1989 budget request which will be used to provide funds or other assistance to foreign liaison services around the world. I asked for this information during the hearing but was told only you could approve its release. I believe the information requested is both appropriate and necessary for the Committee to complete its review of the CIA budget and ask that the listing be provided promptly so that it can be reviewed prior to Committee markup.

It is requested that your responses to these questions and the edited transcript reach the Committee by March 25, 1988.

Sincerely,

LOUIS STOKES
Chairman
